

Therefore say to the people of Israel: **YAOHU UI** says, I am bringing you back again, but not because you deserve it; I am doing it to protect My Holy Name which you tarnished among the nations. I will honor My great Name that you defiled, and the people of the world shall know I am **YAOHU UI**, I will be honored before their eyes by delivering you from exile among them. For I will bring you back home again to the land of Israel.

Then it will be as though I had sprinkled clean water on you, for you will be clean - your filthiness will be washed away, your idol worship gone. And I will give you a new heart - I will give you new and right desires - and put a new spirit within you. I will take out your stony hearts of sin and give you new hearts of love. And I will put My '**RUKHA**' within you so that you will obey My laws and do whatever I command.

And you shall live in Israel, the land which I gave your fathers long ago. And you shall be My people and I will be your **UI**, I will cleanse away your sins. I will abolish crop failures and famine. I will give you huge harvests from your fruit trees and fields, and never again will the surrounding nations be able to scoff at your land for its famines.

Then you will remember your past sins and loathe yourselves for all the evils you did. But always remember this: It is not for your own sakes that I will do this, but for Mine. O My people Israel, be utterly ashamed of all that you have done!

YAOHU UI says: When I cleanse you from your sins, I will bring you home again to Israel, and rebuild the ruins. Acreage will be cultivated again that through the years of exile lay empty as a barren wilderness; all who passed by were shocked to see the extent of ruin in your land. But when I bring you back they will say, 'This **UI**-forsaken land has become like Eden's garden! The ruined cities are rebuilt and walled and filled with people!' Then the nations all around - all those still left - will know that I, **YAOHU UI**, rebuilt the ruins and planted lush crops in the wilderness. For I, **YAOHU UI**, have promised it, and I will do it."
